

LOW PROFILE FEEDER (LPF) QUESTIONNAIRE

Name:	Phone:	Email:
Company:	Site:	Project:

Material details

Material being handled? Particle size distribution?

Is the material Non abrasive Lightly abrasive Moderately abrasive Highly abrasive

Bulk density, moisture content, temperature etc?

Plant requirements

What feeds the LPF & Length x Width of the inlet?

What is the head load above the LPF?

What is the LPF feeding to?

What is the required capacity of the LPF?

What is the LPF inlet size?

What is the required pulley centre distance?

Do you have a preferred belt width?

Transmin to include instrumentation?

General

Describe any special requirements?

Describe operating frequency? Describe the battery limits?

Any special materials or finishes required?

Does the design need to comply with any client specific standards or specifications? Yes No

Required configuration - Please indicate which, with dimensions

Straight Horizontal or Straight Inclined: Yes No OR Combined Horizontal & Inclined: Yes No

Please attach a sketch of the working area if available.
